

Re-sits M.Sc. Geology WS 19/20

You will be registered by the examination office for all re-sits

	Semester		Date	Time	Professor	Coordinator of the module	Room
M.Sc. Geology (regulations 2019) (M.Sc. 1st. semester)***							
External Module (Natural or Environmental Module and/or Language Module) (*Registration for examination SLI-language course: 01.10.2019-31.03.2020)			TBA	TBA	various	various	TBA
Computing in Geosciences (Computing in Geosciences)	MSc 1 + CRY5(?)	PL: marked examination			Hergarten	Hergarten	
Advanced Crystallography (Crystallographic Methodology)	MSc 1	PL: marked examination			Sorgenfrei	Danilewsky	
Impact Geology (Impact Geology, Screening Earth)	MSc 1	PL: marked examination	Mo, June 15, 2020	10:00 am - 12:00 noon	Kenkmann, Poelchau	Kenkmann	Seminar room Geology (00 012) Albert-Str. 23b
High Temperature Geochemistry (Geochemical Evolution of the Earth's Mantle and Crust, High Temperature Geochronology)	MSc 1	PL: marked examination	Tue, May 12, 2020	10:00 am - 12:00 noon	Siebel	Siebel	contact Prof. Siebel
Igneous Processes (Igneous Processes)	MSc 1 + CRY5(?)	PL: marked examination			Dolejš	Dolejš	
Analytical Methods I (Analytical Methods I)	MSc 1	PL: marked examination			Müller-Sigmund, Danilewsky	Müller-Sigmund	
Research Methods in Geosciences (Research Methods in Geosciences)	MSc 1 + CRY5(?)	PL: marked examination			Preusser, Dolejš, Rambeau, Junge, Miocic, Fischer	Preusser	
Petrophysics (Petrophysics + Rheology and Textures)	MSc 1	PL: marked examination	Fr, June 19, 2020	9:15 am - 12:00 noon	Poelchau, Kenkmann	Kenkmann	HS I (01 034) Albertstr. 23b
Quaternary Research (Quaternary Research)	MSc 1	PL: marked examination			Preusser, Rambeau	Preusser	
Shock Waves in Rocks (Shock Waves in Rocks I + Shock Waves in Rocks II)***	MSc 1 + 3		Registration for Examination in summer term 2020!		Schäfer	Kenkmann	

April 29, 2020

M.Sc. Geology (regulations 2016) (M.Sc. 3rd. semester)							
External Module (Natural or Environmental Module and/or Language Module) (*Registration for examination SLI-language course: 01.10.2019-31.03.2020)			TBA	TBA	various	various	TBA
X-Ray Methods (Structure Analysis by X-Ray Diffraction + Defect Analysis by Diffraction)	MSc 3 + CRY5	PL: marked examination			Danilewsky	Danilewsky	
Impact Geology (Impact Geology + Screening Earth)	MSc 3	PL: marked examination			Kenkmann, Wulf	Kenkmann	
Technical and Applied Mineralogy (Modern Ceramics, Cements, and Glasses + Thermal Analysis)	MSc 3 + CRY5	PL: marked examination			Vogt, Sorgenfrei	Sorgenfrei	
Isotope Geochemistry (Isotope Geochemistry I + Isotope Geochemistry II)	MSc 3	PL: marked examination			Siebel	Siebel	
Melts, Magmas, Crystals (Melts, Magmas, Crystals)	MSc 3 + CRY5 (?)	PL: marked examination			Dolejš	Dolejš	
Geothermics and Geothermal Energy (Geothermics and Geothermal Energy)	MSc 3	PL: marked examination			Hergarten	Hergarten	
Hazard, Risk and Prediction (Hazard, Risk and Prediction)	MSc 3	PL: marked examination			Hergarten	Hergarten	
Petrophysics (Petrophysics + Rheology and Textures)	MSc 3	PL: marked examination			Poelchau, Kenkmann	Kenkmann	
Field Trips (Field Trips and Visits to Industrial Facilities) (*Registration for unmarked examination: 01.10.2017-31.03.2018)	MSc 1, 2, 3	SL: unmarked examination			Various	Ulmer	
Geological Project (Geological Project)	Sem. 2, 3 or 4	PL	written essay, poster and graphic Fr Aug 28, 2020		Preusser	various	
Fluid Rock Interaction		PL	written exam Fri Aug 7, 2020	09:15 AM to 12:00 AM	Dolejš	Dolejš	SR Mineralogy (01 023, Albertstr. 23b)
Shock Waves in Rocks (Shock Waves in Rocks I + Shock Waves in Rocks II)***	MSc 1 + 3		Registration for Examination in summer term 2020!		Schäfer	Kenkmann	

*** Within these modules several courses can be selected. For further information please see the current module guide book.

**** If you have to attend examinations from earlier semesters please contact kathleen.robinson@geologie.uni-freiburg.de
