

Examinations M.Sc. Geology WS 20/21

Written exams are held with physical presence as announced.

- Unless a meeting point is explicitly announced, students will be picked up at the main entrance of the building Albertstr. 23 b.

Unregistration from an exam:

- Either via HISinOne or (if the deadline has expired) via email to the exams office.
- No reason required.
- You are not allowed to participate in the resit exam (typically in the subsequent semester).
- Next chance to take part in the exam at the regular schedule (typically next year, for some modules even in two years).

Examinations M.Sc. Geology WS 20/21

Withdrawal from an exam:

- By email to the exams office.
- Please also send a copy to the examiner.
- Must be submitted to the exams office immediately after the reason (e.g., sickness or impossibility of traveling) occurs.
- A reason must be given (e.g., you are afraid that you might be infected).
- You have to participate in the resit exam (typically in the subsequent semester).

No-show is considered as an unregistration (not as a withdrawal).

- You are not allowed to participate in the resit exam (typically in the subsequent semester).
- Next chance to take part in the exam at the regular schedule (typically next year, for some modules even in two years).

Examinations M.Sc. Geology WS 20/21

Free attempts for exams, probably until Sept. 30.:

- One single failed attempt per module taken after Feb. 1 will not be taken into account for your maximum allowed number of attempts.
- The resit exam must be taken in this case and will not be an additional free attempt.
- It is not possible to repeat a passed exam in order to improve the grade.
