MSc Geology SoSe 2024

Status: 23.07.2024

			Type of examination	Date	Time	Room	Lecturer/Instructor	Module coordinator
Field Trips (10 Days Field Trips and Visits to Industrial Facilities)	Module number Ungraded academic achievement	10LE09MO-2019-140 10LE09SL-2019-140-SL	Ungraded academic achievement: Report	by arrangement with the field trip Head			various lecturers	Ulmer
Seminar and Colloquium I a) Research Seminar b) Geoscience Colloquium	Module number Ungraded academic achievement	10LE09MO-2019-130 10LE09SL-2019-130-SL	Ungraded academic achievement: a) Regular attendance, own presentations b) Regular attendance	the end of the lecture period until 20.07.2024			various lecturers	Poelchau
Seminar and Colloquium II a) Research Seminar b) Geoscience Colloquium	Module number Ungraded academic achievement	10LE09MO-2019-160 10LE09SL-2019-160-SL	Ungraded academic achievement: a) + b) Regular attendance, own presentations a) + b) Regular attendance	the end of the lecture period until 20.07.2025			various lecturers	Poelchau
Geographic Information Systems	Module number Examination	10LE09MO-2019-170 10LE09PL-2019-170-P1	Examination: Portfolio: homework project during the lecture period project report until:	29.07.2024			Carboni	Kenkmann
Geological Project	Module number Examination	10LE09MO-2019-150 10LE09PL-2019-150-P1	Examination: marked report until:	30.09.2024			Preusser	Preusser
Low Temperature Geochemistry a) Marine Geochemistry b) Isotope Geochemistry	Module number Lecture a) Lecture b) Examination a) + b)	10LE09MO-2019-320 10LE09V-2019-320-1 10LE09V-2019-320-2 10LE09PL-2019-320-P1	Examination: Modul written exam:	29.07.2024	10:00 to 12:00	SR-Mineralogie	Siebel	Siebel
Ore-Forming Processes	Module number Examination	10LE09MO-2019-330 10LE09PL-2019-330-P1	Examination: marked report until:	25.08.2024			Geiger, Dolejš	Geiger
Tectonics	Module number Ungraded academic achievement Examination	10LE09MO-2019-420 10LE09V-2019-420-SL 10LE09PL-2019-420-P1	Ungraded academic achievement: Homework (data interpretation and calculations) Examination: oral presentation written examination	during the lecture period during the lecture period 02.08.2024	09:00 to 11:00	HS I	Kenkmann, Poelchau	Kenkmann
Earthquakes and Tsunamis wird nicht im SoSe 2024 angeboten / Earthquakes and Tsunamis will not be offered in SoSe 2024								
Earthquakes and Tsunamis	Module number Seminar Examination	10LE09MO-2019-520 10LE09S-2019-520 10LE09PL-2019-520-P1	Examination: Homework	during the lecture period			Hergarten	Hergarten
Engineering Geology and Geotechnics a) Introduction to Engineering Geology b) Geotechnical Projects	Module number a) Lecture b) Seminar Ungraded academic achievement Examination	10LE09MO-2019-610/495/595 10LE09V-2019-610/495/595-1 10LE09V-2019-610/495/595-2 10LE09S L-2019-610/495/595-SL 10LE09PL-2019-610/495/595-P1	Ungraded academic achievement: a) Active participation in the exercises; b) Attendance of the seminar Examination: a) Written examination lab report until b) oral presentation	a) + b) during the lecture period a) 05.08.2024 a) the end of the semester term: 30.09.2024 b) during the lecture period	09:00 to 10:30	Seminar Room DG (03 037, Albertstr. 23b)	Preusser, Gegg	Preusser
Sedimentary Geology a) Sedimentary Environments b) Logging Sediments	Module number a) Lecture b) Practical Course Ungraded academic achievement Examination	10LE09MO-2019-620 10LE09V-2019-620-1 10LE09V-2019-620-2 10LE09SL-2019-620-SL 10LE09PL-2019-620-P1	Ungraded academic achievement: Regular attendance in the practical part (b) Examination: a) Written exam b) project report	practical part takes place: 22.07. to 26.07.2024 during the lecture period the end of the semester term: 30.09.2024			Preusser, Gegg, Abdulkarim, Hofmann	Preusser
Analytical Methods II (a) Advanced Analytical Methods (b) High-Resolution Spectroscopy	Module number a) Lecture b) Practical Course Ungraded academic achievement Examination	10LE09MO-2019-340 10LE09V-ID113416 10LE09V-2019-340-2 10LE09MO-2019-340-P1	Ungraded academic achievement: (a) presence in the practical part (b) analysis of experimental data and solution of exercise problems Examination: (a) Marked written reports (b) Written exam	during the lecture period the end of the semester term: 30.09.2024 12.08.2024	09:00 to 11:00	HS 01 005 (FMF: Stefan-Meier-Straße 21)	Fiederle	Fiederle
Shock Waves in Rocks I (SoSe) Shock Waves in Rocks II (WiSe)	Module number SWIR I Examination	10LE09MO-2019-480 10LE09V-2019-480-1 10LE09MO-2019-480-P1	Examination: homework written exam	during the lecture period 19.08.2024	09:00 to 11:00	Seminar Room DG (03 037, Albertstr. 23b)	Schäfer	Kenkmann
Hydrogeology (a) Advanced Hydrogeology (b) Aqueous Geochemistry	Module number a) lecture and seminar b) lecture and practical session Ungraded academic achievement Examination	10LE09MO-2019-650 10LE09V-2019-650-1 10LE09V-2019-650-2 10LE09MO-2019-650-P1	Examination: Modul written exam	08.08.2024	09:15 to 11:45	SR-Mineralogie	a) Stober b) Dolejš	Dolejš
Chemical thermodynamics of Geomaterials	Module number a) Lecture b) Practical Course Ungraded academic achievement Examination	10LE09MO-2019-380 10LE09V-2019-380-2 10LE09V-2019-380-1 10LE09MO-2019-380-P1	Ungraded academic achievement: regular participation in the practical sessions and problem solving exercises. Three homework assignments (cumulative grade) Examination: written report	until 25.08.2024			Dolejš	Dolejš
Near-Surface Geophysics	Module number Lecture Ungraded academic achievement Examination	10LE09MO-2019-430 10LE09V-2019-430 10LE09SL-2019-430-SL 10LE09PL-2019-430-P1	Ungraded academic achievement: regular attendance in the field measurements Examination: Homework including reports of the field work	during the lecture period during the lecture period until 31.08.2024			Wik	Wik
Mineral Physics	Module number Course Examination	10LE09MO-2019-730 10LE09MO-2019-730 10LE09PL-2019-730-P1	Examination: Oral presentation exercise report/homework report	16.08.2024 until 16.08.2024	10:00 to 13:00	R 01 015 (Hermann-Herder-Str. 5)	Prescher	Prescher
Mass Movements wird nicht im SoSe 2024 angeboten / Mass Movements will not be offered in SoSe 2024								
Mass Movements (Mass Movements)	Module number Ungraded academic achievement Examination		Examination: Homework (computer-based calculations)	to be solved during the lecture period			Hergarten	Hergarten
Repeat examinations M.Sc. Geology WiSe 2024				If the cell empty, there is no or yet no make-up/repeat date.				Date/ time not confirmed yet.
Research Methods in Geosciences	Module number Ungraded academic achievement Examination		Oral presentation Several project reports written exam=C73.E79			Seminar Room DG (03 037, Albertstr. 23b)	Prescher, Preusser	Preusser
Computing in Geosciences	Module number Ungraded academic achievement Examination		Written homework and exercises in class				Hergarten	Hergarten
High-Temperature Geochemistry a) Geochemical Evolution of the Earth's Mantle and Crust b) High Temperature Geochronology)	Module number Ungraded academic achievement Examination		written examination			SR-Mineralogie	Siebel	Siebel
Analytical Methods I (Analytical Methods I)	Module number Ungraded academic achievement Examination		written examination	09:00 - 10:00	30.09.2024	SR-Mineralogie	Wolki	Dolejš
Igneous Processes	Module number Ungraded academic achievement Examination		Project report	23.08.2024			Dolejš	Dolejš
Geological Project	Module number Ungraded academic achievement Examination		Examination: marked report				Preusser	Preusser
Petrophysics a) Petrophysics b) Rheology and Textures)	Module number Ungraded academic achievement Examination		Presentation of the project work in oral and written form Written examination			HS I	Poelchau, Kenkmann	Kenkmann
Natural Hazards	Module number Ungraded academic achievement Examination		Oral presentations				Preusser, Stahl, Hanewinkel	Preusser, Stahl, Hanewinkel
Quaternary Research	Module number Ungraded academic achievement Examination		Written exam: Oral presentation : Project report			Seminar Room DG (03 037, Albertstr. 23b)	Preusser	Preusser
Hazard, Risk and Prediction	Module number Ungraded academic achievement Examination		homework				Hergarten	Hergarten
Impact Geology	Module number Ungraded academic achievement Examination		Written exam: Oral presentation : Homework			HS I	Kenkmann, Poelchau	Kenkmann
Remote Sensing	Module number Ungraded academic achievement Examination		Written project report				Carboni	Kenkmann
Shock Waves in Rocks (Shock Waves I in Rocks II)	Module number Ungraded academic achievement Examination		Homework: Written exam:			HS I	Schäfer	Kenkmann
Earth Management	Module number Ungraded academic achievement Examination		Written report Oral presentation				Preusser/Abdulkarim/Gegg	Preusser
Geothermics and Geothermal Energy (Geothermics and Geothermal Energy) EUOR: Geothermal Master Field School	Module number Ungraded academic achievement Examination		Tests during the course and final seminar presentation				Dolejš	Dolejš
Seminar and Colloquium a) Research Seminar b) Geoscience Colloquium	Module number Ungraded academic achievement Examination		a) Regular attendance, own presentations b) Regular attendance				All staff Geosciences	Poelchau
Field Trips (Field Trips and Visits to Industrial Facilities)	Module number Ungraded academic achievement Examination						Ulmer	Ulmer
