

SS 21
Exams M.Sc. Geology

Registration for final module examinations of the summer semester is generally possible until 01.07.

	Semester	Type of examination <input type="checkbox"/>	Date	Time	Room*	Coordinator of the module
Field Trips (10 Days Field Trips and Visits to Industrial Facilities)	Sem. 1 to 4					Ulmer
Seminar and Colloquium I (Research Seminar + Geoscience Colloquium)	Sem. 1+2	Attendance and presentation until the end of the term,				Poelchau
Seminar and Colloquium II (Research Seminar + Geoscience Colloquium)	Sem. 3+4	Attendance and presentation until the end of the term				Poelchau
Geographic Information Systems (Geographic Information Systems)	Sem. 2	Portfolio: homework project during the term + project report until Mo Aug 31, 2021	31.08.2021			Wulf
Geological Project (Geological Project)	Sem. 2, 3 or 4	Report until Wed Sept. 30. 2021				Preusser
Low Temperature Geochemistry (Marine Geochemistry + Isotope Geochemistry)	Sem. 2	written exam,	28.07.2021	15:00-16:00		Siebel
Ore Forming Processes (Ore-Forming Processes)	Sem. 2	homework, 20.08.2021				Dolejs
Tectonics (Tectonics)	Sem. 2	Portfolio + written examination: 28.07.21 + oral presentation during the term	28.07.2021	13:00-15:00		Kenkmann
Near-Surface Geophysics (Near-Surface Geophysics)	Sem. 2	Portfolio	06.08.2021			Wilk
Earthquakes and Tsunamis (Earthquakes and Tsunamis)	Sem. 2	Portfolio	06.08.2021			Hergarten
Engineering Geology and Geotechnics (Introduction to Engineering Geology + Geotechnical Projects)	Sem. 2	written exam	20.07.2021	09:00-11:00		Preusser
Sedimentary Geology (Sedimentary Environments + Logging Sediments)	Sem. 2	Portfolio: written tests during the term + written project report until 31.08.21				Preusser
Analytical Methods II (a) Special Methods in Mineralogy, b) High-Resolution Spectroscopy)	Sem. 2	Portfolio: a) marked written report until	29.07.2021	09:15 AM to 11:00 AM		Müller-Sigmund
Experimental Petrology (Experimental Methods + Thermodynamics of Geological and Technical Materials)	Sem. 2	Portfolio: homework until 20.08.2021				Dolejs
Shock Waves in Rocks (Shock Waves in Rocks I + Shock Waves in Rocks II)	Sem. 3	no exam in the SS				Schäfer
Hydrogeology (Advanced Hydrogeology + Aqueous Geochemistry)	Sem. 2	written exam	30.07.2021	09:15 AM to 12:00 AM		Dolejs
Mass Movements (Mass Movements)	Sem. 2	Portfolio		06.08.2021		Hergarten

Re-sits M.Sc. Geology
WS 20/21

You will be registered by the examination office for all re-sits

	Semester	Type of examination <input type="checkbox"/>	Date	Time	Room	Coordinator of the module
Computing in Geosciences		written homework + exercises in class during the semester term	13.06.2021			Hergarten
Planetary Dynamics		written exam + homework <input type="checkbox"/>	04.05.2021	14:00-16:00		Kenkmann
High Temperature Geochemistry (Geochemical Evolution of the Earth's Mantle and Crust, High Temperature Geochronology)		written exam <input type="checkbox"/>				Siebel
Metamorphic Processes		written paper <input type="checkbox"/>				Dolejs
Analytical Methods I (Analytical Methods I)		written exam + written paper <input type="checkbox"/>				Müller-Sigmund
Research Methods in Geosciences (Research Methods in Geosciences)		written exam+ written paper + oral presentation				Preusser
Rock Mechanics		written exam + written report	04.05.2021	12:00-14:00		Poelchau
Rock Mechanics/ Brittle Rock Deformation						Poelchau
Earth Management		written report + oral presentation <input type="checkbox"/>				Preusser
Geothermics and Geothermal Energy (Geothermics and Geothermal Energy)		homework				Hergarten
Climatic Geohazards		written report + oral presentation <input type="checkbox"/>				Preusser
Volcanic Hazards		written report + oral presentation <input type="checkbox"/>				Preusser
Hazard, Risk and Prediction (Hazard, Risk and Prediction)		homework <input type="checkbox"/>				Hergarten
Shock Waves in Rocks (Shock Waves in Rocks I + Shock Waves in Rocks II)		written exam	26.07.2021	16:00-18:00		Kenkmann
Field Trips (Field Trips and Visits to Industrial Facilities)		<input type="checkbox"/>				Ulmer
Geological Project (Geological Project)		written report <input type="checkbox"/>				various

* Will be announced in due time

Status: 26.04.2021
