

Examinations MSc Geology WS 22/23

	Type of examination	Date	Time	Room	Lecturer/Instructor	Module coordinator
Research Methods in Geosciences (Research Methods in Geosciences)	oral presentation	during the semester term				
	written examination	Wend. 15.02.2023				
	written report	Fri. 31.03.2023			Mueller, Gegg	Preusser
Computing in Geosciences (Computing in Geosciences)	written homework and exercises in class (last assignment March 3, 2023)	during the semester term			Hergarten	Hergarten
High Temperature Geochemistry (Geochemical Evolution of the Earth's Mantle and Crust, High Temperature Geochronology)	Wend. Feb. 22. 2023		10:15 to 12:00	SR-Mineralogie	Siebel	Siebel
Analytical Methods I (Analytical Methods I)	written reports	during the semester term				
Planetary Dynamics	written examination	Thu. 28.02.2023	14:00 to 14:45	SR-Mineralogie + SR DG		
Rock Mechanics		Thur. 16.02.2023	10:00-12:00	SR DG	Kenkmann	Kenkmann, Poelchau
		Wen., 22.02.2023	10:00-12:00	SR DG		
Petrophysics -Not this semester (Petrophysics + Rheology and Textures)	presentation of the project work → written examination					
	oral presentations:	during the semester term	until 31.3.2023		Poelchau, Kenkmann	Kenkmann
Geohazard types and case studies □	written report:				Mueller	Preusser
Metamorphic Processes	written paper	17.03.2023			Dolejš	Dolejš
	written report	30.03.2023				
Volcanology and Volcanic Hazards	oral presentation	during the semester term			Preusser	Preusser
Remote Sensing	Homework	during the semester term				
	written project report	till 10.02.2023			Sobh	Sobh
Shock Waves in Rocks (Shock Waves in Rocks I)	homework:	during the semester term				
	written exam:	Wend. 08.02.2023	12:15 to 13:45	SR-002 Albertstr. 23a	Schäfer	Kenkmann
Geothermics and Geothermal Energy (Geothermics and Geothermal Energy) EUCOR: Geothermal Master Field School	written report					
Hazard, Risk and Prediction (Hazard, Risk and Prediction)	homework □	Fr. 03.03.2023			Dolejš	Dolejš
Field Trips (Field Trips and Visits to Industrial Facilities)					Hergarten	Hergarten
Earth Management	written report □	Fr. 31.3.2023			Ulmer	Ulmer
					Preusser/Abdukarim/ Gegg	Preusser
Repeat examinations M.Sc. Geology SS22						
Seminar and Colloquium I (Research Seminar + Geoscience Colloquium)	Attendance and presentation until the end of the semester term				various lecturers geology	Poelchau
Seminar and Colloquium II (Research Seminar + Geoscience Colloquium)	Attendance and presentation until the end of the term				various lecturers geology	Poelchau
Geographic Information Systems (Geographic Information Systems)	Portfolio: homework: project report until:	during the semester term Fr. 30.10. 2022			Wulf	Wulf
Geological Project (Geological Project)	Report until □	Fr. 30.10. 2022			various lecturers geology	Preusser
Low Temperature Geochemistry (Marine Geochemistry + Isotope Geochemistry)	written exam: □				Siebel	Siebel
Ore Forming Processes (Ore-Forming Processes)	homework until	Mon. 19.12.2022			Dolejš, Geiger	Dolejš
Tectonics (Tectonics)	oral presentation: Portfolio: written examination:	during the semester term until			Kenkmann	Kenkmann, Poelchau
Petrophysics (Petrophysics + Rheology and Textures)	written examination					
Earthquakes and Tsunamis (Earthquakes and Tsunamis)	Portfolio until: □				Hergarten	Hergarten
Quaternary Research	written exam: □	Thu. 15.11.22	10:00	02/008 in der Alberstr. 23b	Preusser	Preusser
Engineering Geology and Geotechnics (Introduction to Engineering Geology + Geotechnical Projects)	written exam	Thu. 29.11.22	10:00	02/008 in der Alberstr. 23b	Preusser	Preusser
Sedimentary Geology (Sedimentary Environments + Logging Sediments)	Portfolio: written tests: written project report until	during the term			Preusser	Preusser
Analytical Methods II (a) Special Methods in Mineralogy, b) High-Resolution Spectroscopy	a) marked written report until				Müller-Sigmund, Schloglova	Dolejš
Analytical Methods II (a) Special Methods in Mineralogy, (b) High-Resolution Spectroscopy	b) written exam				Fiederle	Dolejš
Shock Waves in Rocks (Shock Waves in Rocks I + Shock Waves in Rocks II)	written exam:				Schäfer	Kenkmann
Hydrogeology (Advanced Hydrogeology + Aqueous Geochemistry)	written exam				Dolejš, Stober	Dolejš
Chemical thermodynamics of Geomaterials	written report until:				Dolejš	Dolejš
Near-Surface Geophysics	written tests and homework written project report	during the semester term			Hergarten	Wik
Mineral Physics	Oral presentation exercise report until				Prescher	Prescher
Mass Movements (Mass Movements)	Portfolio				Hergarten	Hergarten

Status: 27.10.22
