

Master Geology Freiburg - Application procedure

Step 1 - Requirements

In order to know if you are eligible to apply for this program, please check first the section § Statutes under [Admission Requirements](#).

Step 2 - Online Application

The online application portal opens on March, 1st:

<https://campus.uni-freiburg.de/> (to switch language see lower right corner).

Deadline is May 15th. All documents must be uploaded online (by May 15th) and in the case of admission, presented physically upon matriculation.

Choose one of the four elective tracks ([further information](#)).

Please upload the following documents:

2.1. Curriculum Vitae in English, please do not include a photo.

2.2. Motivation Letter in English, following this [guideline](#).

2.3. Transcript of Records (original and certified translation if necessary).

The transcript must contain your final grade/GPA and the grading system. If necessary, it has to be translated into English or German. Please upload both the original language version and the translated version in one PDF.

2.4. Bachelor's Degree certificate (original and certified translations if necessary).

Exception: Students from the US and Canada do not have to send a degree certificate if the transcript shows that the degree was awarded.

2.5. High School Degree Certificate (original and certified translations if necessary)

2.6. English Language Certificate level B2 of the Common European Framework of Reference for Languages (originals or certified copies). For accepted tests please see [Website of Student Service Center](#).

If the institution will send the certificate directly to us, please upload a screenshot of the result. Note: We are registered for TOEFL and IELTS online verification. Our TOEFL code number is B794.

Native English speakers are exempt. They shall upload a copy of their passport.

Applicants who followed their COMPLETE university studies in English can also be exempted from handing in the English Certificate. In this case please upload an official certificate from the university confirming that English was the medium of instruction. **Note: Students from Bangladesh, India, Nepal, and Pakistan have to provide TOEFL, IELTS or Cambridge certificate in ALL cases.**

2.7. APS Certificate (compulsory for applicants from China, India, Mongolia, and Vietnam)

2.8. Proof of work experience, internships and stays abroad (not mandatory):

With these proofs, you can improve your grade in the selection process. (e.g. letter from employers, certificates, etc.). In order to be valid starting and finishing dates must be clearly specified in the proof.

Note: This is not a compulsory requirement, but if you want these factors to increase your processing grade, you have to upload them.

Step 3 – Admission

You will be notified by the end of June about the results of the selection process.

Scholarships

Since the Faculty of Environment and Natural Resources does not have financial means for scholarships, candidates should apply for funding from other institutions. For further information please see:
